

# Lifting Gear Store Copyright Statement

We at Lifting Gear Store have spent, and continue to spend, much time ensuring we offer useful, interesting and reliable information through our blog and our product pages. We are committed to delivering unique content that may, at times, take inspiration from other sources, but is still our own property, hence this copyright statement.

We, therefore, must place a copyright on this content to ensure that it remains the property of Lifting Gear Store alone. We ask all visitors to take time to read through our copyright statement to ensure that you both understand and agree with what has been laid out before you read through any content; particularly if you plan to write pieces of content yourself based from our own.

Please read our copyright statement before continuing to use the Lifting Gear Store website

## Lifting Gear Store copyright ownership

We at Lifting Gear Store are the sole, exclusive owner of <https://liftinggear.store/> and any contents listed on this website unless specifically stated otherwise. This includes any text, website coding, images or photos used, audio and video clips. Lifting Gear Store ask that none of the content listed above is reused for any commercial purposes, which includes full use, partial use, modifications or adaptations, or the publication of any of our contents to third party websites.

## Using Lifting Gear Store content for personal use

We carefully create content for our customers and visitors to help inform you. We are more than happy for any of our visitors to use our content for personal use, whether this is by downloading it to your desktop or printing it off; again, only as long as this is for personal or professional use, and not commercial use. Much of the work we do is based on recommendations and word-of-mouth, so we welcome you to share any content that we have created through link sharing or social media. Any backlinks that you can create to link back to our website is extremely appreciated; we want to help as many customers as possible!

## Obtaining Lifting Gear Store permission

Please be aware that we may decline your request to use our content when we believe that it is not in the best interests of Lifting Gear Store, or its members, for you to reuse our content.

Please get in touch with us if you think there has been a copyright breach

## **Potential legal action in the case of a copyright breach**

Lifting Gear Store has spent much time carefully creating this website and all the content that is featured on it. If it is clear that copyright has been breached, we reserve the right to pursue legal action.

Our first point of action is to try and resolve the situation. We will contact any third parties that have breached copyright, usually through e-mail, requesting that the copyrighted content is removed from where it has been published. If the content is removed swiftly, we will take no further action.

Failure to remove content, or if our request is declined, Lifting Gear Store reserve the right to begin legal action. This includes, but is not limited to, seeking an injunction to have the copyrighted material removed.

## **What to do if you see Lifting Gear Store content published elsewhere**

If you see Lifting Gear Store content that has been published elsewhere, wherever this may be, which has clearly been copied (regardless of whether the content has been attributed to us or not), please do get in touch with us. Lifting Gear Store would greatly appreciate any help that you can offer, and upon being contacted we would review the situation and take the necessary steps as listed above under 'potential legal action in the case of a copyright breach'.

## **Copyright claims made against Lifting Gear Store**

We at Lifting Gear Store are committed to providing 100% unique content that is interesting, valuable and created by ourselves, although it may have drawn inspiration and ideas from other sources. If you believe that Lifting Gear Store have themselves breached copyright in some way, although this is extremely unlikely, please do let us know immediately. Upon being contacted, Lifting Gear Store will review and resolve the situation quickly, treating this as a matter of urgency.

We at Lifting Gear Store appreciate the time you have taken to read our copyright statement. Please do enjoy the content that we have created for you!
